REMARKS

Claims 1-10, 12-19, 21-28, and 31-32 are pending. Claims 29-30 have been canceled.

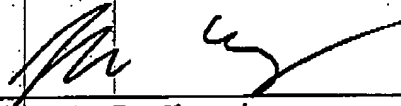

In the course of preparing formal drawings, applicant has noticed various informalities in the FIGS. and specification. These informalities have been corrected and are reflected in the formal drawings submitted herewith.

In the action mailed December 7, 2005, all claims were allowed except claims 29-30. Although Applicant disagrees with the grounds for rejection, to advance prosecution, claims 29-30 have been canceled.

Accordingly, applicant asks that all claims be allowed. No fees are believed due at this time. Please apply any applicable charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: February 7, 2006
